210

is high need +2  
 is low need +1

### Assumptions

2000 Census Data Used for the purposes of comparison

For the Purposes of the ranking process, it may make sense for Kitsap to rank with Peninsula

Include Youth In Final Formula

Three Large Urbans get their JARC money (Poverty on Chart) directly, so are automatically low need

Rural Population calculated by subtracting Highway Urban Area population

Palouse Includes Lewis and Clark MPO
